

TOWNSHIP OF EDWARDSBURGH CARDINAL INFORMATION ITEM

Committee: Committee of the Whole – Administration & Operations

Date: May 8, 2023

Department: Building

Topic: 2023 1st Quarter Building Report

Background: Over the 1st quarter there have been 14 building permits issued including 2 single residential units, an Agricultural Building and three Demolition Permits. This represents \$1,550,000.00 in new residential construction value. Total construction value for the 1st quarter is \$2,076,700.00

Total construction value in the 1st quarter of 2023 compared to 1st quarter of 2022 has decreased from \$5,701,650.00 to \$2,076,700.00, a difference of \$ 3,524,950.00. This is primarily due to the reduction of the number of new housings starts in the 1st quarter, carryovers from late construction in the Fall of 2022 and no new commercial or industrial construction.
