Draft Plan of Subdivision Lapsing Date

It is important to note that the lapsing date for Lockmaster's Meadow, draft plan approval will expire on February 25, 2025. If you wish to extend the date, you can request a one-year extension by providing a letter requesting the extension addressed to both the County and the Township. There is no cost for the request to extend. The one-year extension will provide you with additional time to obtain the required securities and/or determine the next steps in proceeding with this development.
