INFORMATION ITEM**

**Committee:** Public Works, Environmental Services & Facilities

**Date:** Tuesday February 18<sup>th</sup>, 2020

**Department:** Facilities

**Topic:** ATM Placement

Just a quick note to advise that both Spencerville & Ingredion center arenas will be getting ATM machines installed over the next couple of weeks. The company (International Leisure products) from Cornwall will be installing their machines in both lobbies of the arenas. Machine ownership, maintenance and liability rests with International Leisure products.

Once installed the Township will make .50 cents per transaction.

I will update the committee after 6 months of usage.
