

- B. used in a product that is fuel or a fuel supplement,
- C. supplied to an incinerator for use in incineration, or
- D. landfilled or land disposed by a processor.
- iv. The weight of each amount reported under subparagraphs i, ii and iii that was recovered from blue box material collected under Part IV and Part V.
- v. The weight of each amount reported under subparagraphs i and ii that was recovered from blue box material collected pursuant to a supplemental collection system.
- (2) The annual report required by subsection (1) shall be submitted on or before April 30 of each year, beginning in 2024.
- (3) The information required to be submitted in subsection (1) is in respect of the calendar year prior to the year the report is required to be submitted.
- (4) For greater certainty, a processor is not required to submit an annual report under subsection (1) in the first calendar year in which it is a processor.
- (5) Despite subsection (1), a processor is not required to provide any information in respect of the certified compostable products and packaging material category.

Eligible communities

54. (1) Where an eligible community is included in the Blue Box Transition Schedule, the applicable local municipality, local services board or First Nation shall submit the information listed in subsection (2) to the Authority, through the Registry, on or before,

- (a) September 30, 2021, if the eligible community is a local municipality or local services board area; and
- (b) November 30, 2021, if the eligible community is a reserve.

(2) The following information shall be submitted to the Authority, through the Registry, by the applicable local municipality, local services board or First Nation required to register under subsection (1):

- 1. The number of residents and residences in the eligible community.
- 2. The municipality, local services board, First Nation or other entity that provides the WDTA blue box program and garbage collection in the eligible community.
- 3. The contact information of the person responsible for waste management in the eligible community.
- 4. The number of residences that received collection services pursuant to the WDTA blue box program in the eligible community.
- 5. The criteria or conditions used to determine which facilities were included in the WDTA blue box program in the eligible community on August 15, 2019.
- 6. The number of facilities in the eligible community that received collection services pursuant to the WDTA blue box program.
- 7. The number of blue box receptacles in a public space in the eligible community that receive collection under the WDTA blue box program.

Transition

55. (1) Where an eligible community is included in the Blue Box Transition Schedule, the applicable local municipality, local services board or First Nation shall submit the information in subsection (2) to the Authority, through the Registry, on or before the following dates:

- 1. September 30, 2021, in the case of a local municipality or local services board area that is required to receive collection services pursuant to this Regulation in 2023.
- 2. November 30, 2021, in the case of a reserve that is required to receive collection services pursuant to this Regulation in 2023.
- 3. August 31, 2022, in the case of a local municipality, local services board area or reserve that is required to receive collection services pursuant to this Regulation in 2024.
- 4. August 31, 2023, in the case of a local municipality, local services board area or reserve that is required to receive collection services pursuant to this Regulation in 2025.

(2) The following information shall be submitted to the Authority, through the Registry, by a local municipality, local services board or First Nation required to register under subsection (1):

- 1. The location of residences that receive curbside garbage collection in the eligible community.

2. The location of residences that receive depot garbage collection in the eligible community.
3. The location of every garbage depot collection site in the eligible community.
4. The location of residences that receive curbside collection under the WDTA blue box program in the eligible community.
5. The location of residences that receive depot collection under the WDTA blue box program in the eligible community.
6. The location of facilities in the eligible community that receive collection services pursuant to the WDTA blue box program.
7. A description of a method pursuant to which additional information about the addresses of residences and facilities in the eligible community that receive collection under its garbage collection program and the WDTA blue box program can be provided.
8. The location of each blue box receptacle in a public space in the eligible community that received collection under the WDTA blue box program.
9. A list of materials that are collected under the WDTA blue box program in the eligible community.
10. The frequency at which residences in the eligible community receive collection under the WDTA blue box program.
11. The number of collection streams in the eligible community under the WDTA blue box program.
12. The location of every depot collection site in the eligible community under the WDTA blue box program.
13. The languages used for communications about the WDTA blue box program in the eligible community.

Outside Transition Schedule

56. Where an eligible community is not included in the Blue Box Transition Schedule, the applicable local municipality, local services board or First Nation shall submit the information described in paragraphs 1, 2 and 3 of subsection 54 (2) or paragraphs 1, 2, 3 and 7 of subsection 55 (2) to the Authority, through the Registry, on or before the later of,

- (a) December 31, 2024; and
- (b) in the case of a reserve, 90 days after the date a First Nation registered the reserve as an eligible community under section 59.

Change

57. If there is a change to the information submitted to the Authority through the Registry under section 54, 55 or 56, the applicable local municipality, local services board or First Nation shall submit the updated information to the Authority, through the Registry, within 30 days of the change.

Who may submit

58. (1) For greater certainty, any information required to be submitted to the Authority through the Registry by a local municipality, local services board or First Nation may be submitted by any person acting under the authority or direction of the local municipality, local services board or First Nation, as the case may be.

(2) For greater certainty, any information required to be submitted to the Authority through the Registry by a producer, other than information required to be submitted under paragraphs 1 to 6 of subsection 45 (3), may be submitted by any person acting under the authority or direction of the producer, including by a producer responsibility organization.

First Nation registering

59. A First Nation may register a reserve to be an eligible community by submitting to the Authority, through the Registry, the contact information of the person responsible for waste management.

First Nation accepting

60. Where a First Nation accepts an offer of collection services in accordance with subsection 31 (4), the First Nation shall register its acceptance with the Authority, through the Registry, and identify the producer or producer responsibility organization that made the offer.

First Nation revoking

61. Where a First Nation revokes its acceptance of an offer of collection services in accordance with subsection 31 (10), the First Nation shall revoke the registration made under section 60.

First nation, subsequent offer

62. Where a First Nation accepts a subsequent offer of collection services in accordance with subsection 31 (15), the First Nation shall register its acceptance with the Authority, through the Registry, and identify the producer or producer responsibility organization that made the offer.
