THAT Municipal Council recommend in favour of severance application B-169-21 and request that the following notes be included in the severance decision:

1. A grading and drainage plan will be required at the building permit stage to mitigate potential drainage impacts to neighbouring properties; and
2. An entranceway on the retained land shall be located along the western property line. The access road shall not be raised above the elevation of the neighbour's property to ensure that it does not direct water in that direction. This is to be reviewed at the time an application for entranceway permit is submitted.

As recommended by the Committee of the Whole – Public Works, Environmental Services & Facilities.
